Column Definitions

21Adj Base (FY21 Adjusted Base) - FY20 Management Plan less one-time items, plus FY21 adjustments for position counts, funding transfers, line item transfers, temporary increments (IncT) from prior years, and additions for statewide items (risk management and most salary and benefit increases). The Adjusted Base is the "first cut" of the FY21 budget; it is the base to which the Governor's and the Legislature's increments, decrements, and fund changes are added.

House (House) - The version of the FY21 operating and mental health bills adopted by the House.
